

# Williamsburg Estates Of Keller

September 2021

## Neighborhood Newsletter

We've noticed a few signs advertising businesses posted in the neighborhood. Please feel free to remove and discard them.

Also, we know contractors request to place their signs in yards during roofing or other remodeling projects. We would appreciate it if you please remove them once work is completed.

**We will be meeting again soon**, when the “threat” of a spreading virus wanes a bit, but in the meantime please e-mail the board with your concerns and we will be addressing them as we get them. We are currently in **need of additional volunteers** for help with getting the flags out, and being a point of contact for our website management company. Please join us to help keep this neighborhood looking great!

## **HOME OF THE MONTH WINNER**

**We wish to congratulate our neighbors at 724 Richmond Ln. for having a beautiful presentation and being recognized as September Yard of the Month!! The judge observed – “WOW! The updated landscaping is absolutely beautiful!!**

## MAKING CHANGES TO YOUR HOME?

We encourage you to review the CC&R's before making any major changes to your home as they may be subject to **review and/or approval** from our Architectural Control Committee. A copy of the CC&R's is available for download by [clicking here](#). Feel free to contact us should you have any questions.

## September/October Yard Care Tip

- Last chance to plant St Augustine
- Apply pre-emergent for the Spring
- Last chance to fertilize turfgrass
- Plant Fescue or Rye seeds
- Time to rotate summer annuals to cold tolerant fall colors
